LONDON T. CLAY PROFESSOR OF MATHEMATICS AND THEORETICAL SCIENCE

Postdoctoral Positions

Applications and nominations are welcome for a postdoctoral research position with Professor Arthur Jaffe in the Mathematical Picture Language Project. See <https://mathpicture.fas.harvard.edu>.

Applicants should submit a curriculum vitae, statement of research interests, and a list of publications to Crystal Stillman at cstillman@fas.harvard.edu. The applicant should also submit three letters of recommendation, sent by the recommenders directly to Ms. Stillman.

Applications will be accepted on a rolling basis until the position has been filled. Questions can be addressed to jaffe@g.harvard.edu.

Harvard is an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, sex, gender identity, sexual orientation, religion, creed, national origin, ancestry, age, protected veteran status, disability, genetic information, military service, pregnancy and pregnancy-related conditions, or other protected status.
